Upload Image

Once the file has been uploaded, it will be displayed on screen, along with any warning messages.

If the incorrect colour profile has been used, then you should delete the image and re-upload with the correct profile.

If the image was too large, then the system will automatically downsize it to the correct dimensions. If you do not wish the system to make this adjustment, then delete the image and upload a version of the correct dimensions.

|The add new entry button remains until you have uploaded the maximum number of images for that competition.
